The Staff Development Day on Monday was an opportunity to undergo further professional learning which will enhance the teaching and learning being done in our classrooms. The areas of interest included more of the Australian Professional Teaching Standards, in particular explicit teaching along with Brain Based teaching, Grammar and the new History Curriculum.

Therese Quinn is on leave this term, so we will have Lisa Nelson teaching Library K-6. We will be restarting our successful Learning & Support for Student Success (LSSSP) program this term. This involves fortnightly meetings of Stage groups to track student progress and discuss strategies for success. At this stage this will be covered by Lauren Parsell and Natalie Wilkinson for this term.

Our Athletics Carnival will be held next week at Jubilee Park. This involves 8 years olds in Year 2 and all students in Years 3-6 for the entire day and the remainder of K-2 will be joining us after recess.

Please note: there is no canteen on this day.

Students are welcome to depart from the carnival with their parents but they must be marked off by their teacher, or the casual teacher designated to their class, before leaving. Thank you to Susan Brasier and Sara Durning for their organisation. All parents and carers are welcome to attend.

Our Cross Country will be held on Friday 8th May. As this is a family day and involves all our students K-6, we will be holding our Mothers’ Day Stall on Thursday 7th May. We do run a Sausage Sizzle style canteen on the Cross Country Day and Jo Klimpsch, our Canteen Supervisor, would be delighted to have parent helpers on the barbecue etc. The students love to see their parents and carers there and you can help as well as share the day with your child. There will be more details on this in next week’s newsletter.

This Friday we will be holding our ANZAC Day Service. This will involve our whole student body and will be held in the hall at 11.45am. Our Guest Speaker will be Warrant Officer Class Two, Shane Swan from Kapooka. Thank you to Debbie Imrie for her organisation of the service and to Linda Wood who has put together the plaques for our wonderful Wall of Remembrance in the foyer. We will also have student leaders attending the march and wreath laying on Saturday.

STAGE 3 CANBERRA EXCURSION
I would like to commend Stage 3 students on their outstanding behaviour whilst on our excursion to Canberra last term. We received compliments from all events visited and the students represented their school and Wagga most positively. Thank you to Kate Livio, Fiona Hawkins and Bernie Ward who accompanied the students on the excursion and to our administration staff for dealing with money and medical forms. Makeham’s coaches delivered us to and from Canberra safely and looked after students and staff beautifully.
I would also like to acknowledge the Australian Government for contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards the cost of the excursion. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education with a focus on Australia’s history, culture, heritage and democracy.
