It has been a most exciting week here at Sturt starting with our hosting of Tournament of Minds Regional Finals last Sunday.

This was a mammoth job co-ordinated by Angela Comerford and ably supported by Jo Klimpsch, our canteen manager and her band of helpers which included staff and parents. We also had a number of our staff, joined by staff from surrounding schools, to be judges for each of the disciplines. The day was a huge success and we were thrilled that our three teams competed well with the Applied Technology team, pictured, winning their discipline and going through to Sydney to the State Finals. We wish them the best of luck and thank Fiona Hawkins who has been training the Tournament of Minds teams.

Our A Chess team was also successful this week winning the last of the Regional matches against Lavington which means that they too will be travelling to the State Finals in Chess. Well done to those students and thank you to Fiona Hawkins again for co-ordinating the Chess Club in our school.

We wish our Girls and Boys Touch Football teams the best of luck as they compete this week. Thank you to Debbie Imrie and Siobhan Cunningham for co-ordinating these teams.

We also have a T-ball Gala Day and the Wagga Eisteddfod for our Senior Choir, Recorder and Aerobics Groups next week. Thank you to Debbie Imrie and Amanda Gooden for training and co-ordinating these groups.

We wish the best of luck to our students who are at the State Softball trials this week.

It is wonderful to see our students involved in so many extra-curricular activities in order to realise their full potential.
