★ Congratulations to Todd Maiden who will be representing Wagga PSSA at the Riverina Cricket Trials.

★ Good luck to our students attending the basketball trials on Monday.
P & C NEWS
Congratulations to everyone who competed at the swimming carnival and thank you to all the teachers for their hard work...I'm sure that everyone enjoyed the day. Next week is our first P&C Meeting of the year, this is a great opportunity to come along and see what happens - no jobs given out so there is no pressure. As it is the first meeting there will be nibbles and a chat. It is on Tuesday 14th at 7pm in the staff room, which is in the main office building....if you have any questions please contact me. If you can't make it to the meeting you are welcome to go on the mailing list to receive the minutes of the meeting...just let us know.

Our March P&C meeting will be our AGM when the committee will be elected, the positions are President, Vice President, Secretary, Treasurer, Canteen Representative, Canteen Treasurer and Band Treasurer....I will be giving more information on these roles over the next few weeks, please consider a position as it is very rewarding to assist the school achieve their goals. I have enjoyed my time as President and look forward to helping the new 2016 President in their role.

PAPT CANT EN E
There were smiles everywhere on Tuesday as we had our annual class photos taken. Our students look impressive in their uniforms and it was great to see so many with correct footwear. Remember that our uniform consists of black school shoes for every day except sports day, when joggers are allowed.

Swimming Carnival
Our swimming carnival was again a huge success and it was wonderful to hear that participation levels were up, especially in our juniors. Congratulations to all those who participated and earned points towards their house total. Thank you to Miss Brasier for her organisation of this event and to the wonderful helpers from Kooringal High School who assisted with timekeeping throughout the day. Our new House Captains did a marvellous job in organising cheering squads and encouraging participation in activities, well done.

Parent Information Sessions
On Tuesday evening we held our Parent Information Sessions. This was an opportunity to hear about programs running within the school and events happening throughout the year. Please remember if you ever need to speak to your child’s teacher, don’t hesitate to ring the office and make an appointment. We are seeking parent and community assistance in a variety of ways this year. Not only do classroom teachers need assistance with reading and maths groups and hands on activities, but we will be regularly calling for assistance with special days as well. Please let your teacher know if you are able to help.

Peer Support
Today we began our Peer Support program. Year 6 leaders were getting to know the students in their group by playing some group building games. Peer Support is an opportunity for our senior students to develop leadership qualities and for all students to make friends across the school. Mrs Livio has been working with our leaders to ensure they are well prepared for their lessons.

Reward System - WOW Box Mufti Day
The Wow Box is an important part of our Reward System for students’ positive behaviour in class and in the playground. Each day a Wow Card is drawn from each of the Stage Boxes and the winning students choose a prize. On Friday 19th February, we will be holding our Mufti Day for Wow Box prizes. This means that students can wear casual clothes to school and either bring a prize to the value of $1 or a gold coin donation which will be put towards a $1 canteen voucher; this way we can replenish our Wow Box supplies.

Parents and Citizens (P&C) Meeting
Our first P&C meeting will be held next Tuesday 16th February at 7.00pm. We have a strong P&C who work very closely with the school to ensure that our students are offered the best opportunities on their Learning Journey. Please come along and meet other parents and hear about the programs and priorities for the year ahead.

Digital Newsletters
Last year we started the process of parents receiving the weekly newsletter via email and the school app. This term we are aiming to have our School Newsletter go fully digital. You will be able to have the newsletter sent directly to your email address, as well as being able to access it on the school website and School Stream App. This will save the school a considerable amount of money which we can better utilise to purchase resources for our students. An added bonus is the benefit to our environment and the fact that you will always have it accessible.

Over the next few weeks we are asking you to provide a current email address and your agreement to receive the newsletter digitally. If you do not have access to the internet, we will still be able to provide you with a paper copy, but we are hoping that this will be few in number. Could you please complete the note included in this newsletter and return to school as soon as possible? Thank you.

Linda Wood
Relieving Principal

School Excursions are a valuable teaching and learning experience. All of our excursions have a due date for permission notes and money. In order to effectively plan for these excursions, no money or notes will be accepted after the due date. The due date for most excursions will be 2-3 dates prior to the actual excursion. Please ensure that if your child has an excursion or school activity, that the notes and money are returned prior to the due date in order for them to attend.

REMINDEERS

10 Feb Swimming Carnival
15 Feb Combined Assembly
16-18, 22 Feb Healthy Harold
26 Feb Wagga PSSA Swimming Carnival
29 Feb Combined Assembly

NOTES SENT HOME
* School Newsletter Email Details 2016
We are very happy to see our newest students handling school life so well. The Kinder’s are continuing to make a smooth transition to the Sturt school environment. We are looking forward to a busy and exciting term, full of fun, learning, and making new friends.

Learning Programs Outline: All of the key learning areas of English, Mathematics, Science, HSIE, Creative Arts, Personal Development, Health and Physical Education are taught each week. All lesson content and assessment tasks are based on the NSW Syllabus documents.
